

2017
SUMMER
READING

BOOKMARK CONTEST

Bookmarks will be judged in two age categories: ages 7 & under AND ages 8 through 11. (There will be a winner from each age category.)

Guidelines:

1. Entries must promote reading at the library.
2. All artwork must be the individual's original, hand-done creation.
3. The medium must be limited to pen and ink, markers, crayons, or colored pencils. Please keep in mind that whatever method is used, the color should be applied hard enough to allow for possible reproducing.
4. All entries must be completed on the official entry form, and entry form needs to be completely filled out to be considered. All entries must have a parent signature releasing artwork to be reproduced. Parent/guardian signature will also give permission for child's name to be printed on the winning bookmark. Entries that do not have a parent/guardian signature will not be considered.
5. Entries will be judged for originality, neatness, and printability. Please make sure you have not traced or included copyrighted materials such as book, TV, or movie characters.
6. Please no more than two entries per child.
7. All entries **MUST** be turned in no later than 8:00pm on Thursday, July 20th. No late entries will be accepted.
8. The winning bookmark designs will be announced Thursday, July 27th.
